1

Take the system out of the bag and expand.

2

Lock system by clicking together the four lockers.

3

Mount the internal shelf by entering the front edge of the system's shelf fastener. Lock the shelf by allowing the rear section to fall into the system's rear shelf fastener.

4

Fasten the fabric sides on the rear hubs. This can be done in different ways depending on the design of the fabric.

5

Place the top shelf on the upper hubs. Fix its position by allowing the four rubber heels go down in the notch of the hubs.

6

Place the counter on a level surface and check the stability.
